

## **Tomorrow's God**

One articulation of the *New Spirituality* is given in *Tomorrow's God* (2004) by Neale Donald Walsch.

1. Tomorrow's God does not require anyone to believe in God.
2. Tomorrow's God is without gender, size, shape, colour, or any of the characteristics of an individual living being.
3. Tomorrow's God talks with everyone, all the time.
4. Tomorrow's God is separate from nothing, but is Everywhere Present, the All in All, the Alpha and the Omega, the Beginning and the End, the Sum Total of Everything that ever was, is now, and ever shall be.
5. Tomorrow's God is not a singular Super Being, but an extraordinary process called Life.
6. Tomorrow's God is ever changing.
7. Tomorrow's God is needless.
8. Tomorrow's God does not asked to be served, but is the Servant of all of Life.
9. Tomorrow's God will be unconditionally loving, non-judgmental, non-condemning, and non-punishing.
